005/25 TO RECEIVE ANY UPDATES FROM BUCKINGHAMSHIRE COUNCILLORS CIIP POII

Cllr Poll wished all those present a happy new year.

He advised that Cllr Town had met with Paul Foot, the Local Area Technician. The order had been raised to install the proposed white line (to stop parking at this location) at the end of Church Path/Station Road.

It was agreed that the reason why people were parking on Station Road was because of the cost of parking in the station and also the small size of the car parking spaces. Cllr Poll would try to contact someone at the parking company to discuss.

- Overgrown vegetation Hillside and streetlight The streetlight lamp near the salt bin at Hillside had been badly damaged. It was thought by a tree branch. The Clerk had contacted Paul Foot, Local Area Technician, to check that Buckinghamshire Council had no objection to the area being tidied as this is highways land. Paul Foot gave his approval. It was therefore agreed to tidy this area up. Clerk to get a quote ASAP (before March nesting) from JDR Treecare for the tree works and from Brian Matthews Landscaping, to cut back the vegetation.

007/25 CORRESPONDENCE, CONSULTATIONS AND CIRCULARS

11.12.24 - Clir Oastler, CPC – email - Article in Guardian re. Cheddington New Town! - England's new towns must be walkable and green, say campaigners.

As clarified by Laura Kyrke-Smith, local MP on 17th December on the Cheddington Facebook page, this article referred to a proposal put forward by thinktanks Britain Remade and Create Streets, not by the Government nor was the independent report they produced commissioned by the Government.

13.12.24 - Graham Hilary, Bucks Council - email - Increased HGV Traffic through Cheddington – Suggested the PC pay for a survey. – All agreed no urgent requirement for such a survey especially when the heavy lorry traffic was intermittent i.e. when surrounding village roads were closed and the fact that a survey such as this costs thousands of pounds.
